## 100% PURE GRAPESEED OIL

Grapeseed oil is the result of a caring and dedicated elaboration process. This vegetal oil is made from seeds of selected grapes used in the elaboration of export wine. This oil is extracted through a process with high quality standards that retains the taste and properties of the Chilean grape.

Valles de Chile oils are made from grapes from vineyards located in the central zone of the southernmost country in the world. May the Chilean land, contained in this bottle of oil, be at your table; and may the flavor of this narrow country, with its wide vines culture, reveals through this delicious dressing which is just perfect to enhance the taste of your foods.

The content of this fine product is rich in vitamin E and polyphenols, it also contains Omega 6, therefore besides enhancing flavors, it as well provides several of the nutrients present in the grape's seeds. Its high smoke point makes it withstand the high temperatures needed for cooking.

### VARIETIES AND SIZES

- TRADITIONAL 500ml
- GOURMET 500ml

GOURMET

Gourmet oil stands out for its exquisite flavor and aroma. It has a stronger taste that wonderfully enhances the flavor of foods, for every single food to be a delight for the senses. It has a yellow-green color similar to the one of olive oil and it is perfect for all kind of dishes, salads, vinaigrettes or dressings.
